Krabi, Thailand*

*Nature speaks where there is silence.
Where there is calm, a celebration of bliss.
When time stands still, the spirit soars.
Dreams come alive at the edge of the world.*

Krabi in the south of Thailand. Home to NAKAMANDA.

Away from it all

It is a whole new experience –
far from the ordinary.
Feel the gentle touch of fresh air
on your skin.

Listen to the sound
only silence can whisper.
See the world in its barest,
most natural form.
Anticipate the promise of a new day.
Celebrate life!

You are out in the open,
yet you feel protected.
This is NAKAMANDA...
and welcome to its lair.

NAKAMANDA Resort & Spa
is a haven for the senses.
It is a getaway destination
to rediscover your inner self.
A place where time is suspended
for you to count your blessings.

Life is beautiful when not in haste...

All the elements

Teakwood, sandstone, silk, cotton...

all these form a symphony
in detail and simplicity.

Classical Thai lines blend
with modern touches.

Man-made embellishments complementing
those from nature.

Timeless elegance with an
exquisitely contemporary twist.

All shimmering.
Simply enchanting.

Welcome to your domain...
where you are your own master.

The Thai Sala, the sitting and daybed area,
your bed, the plunge bathtub
decked with flower petals,
the fruit basket, the landscaped garden,
the Jacuzzi... all these and more
have been specially prepared for you!

Now here's your welcome drink...

Just what you need

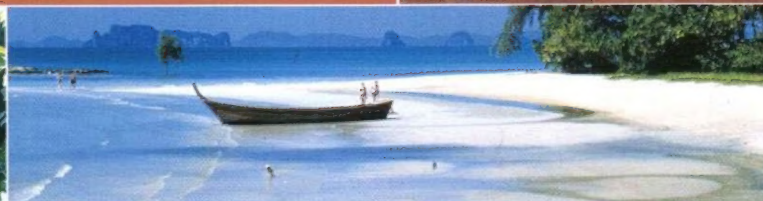

How do they do it?

You don't see them often,
yet your needs are well provided for.

The fruit basket is always filled,
the ice never runs out, the drinks replenished...
the room kept clean,
there's the newspaper, the clean towels...
and a letter welcoming you!

They give you what you need
even before you think you need it.
Perhaps they don't want you disturbed.

The gracious staff with endearing smiles.
always there when you need a hand...

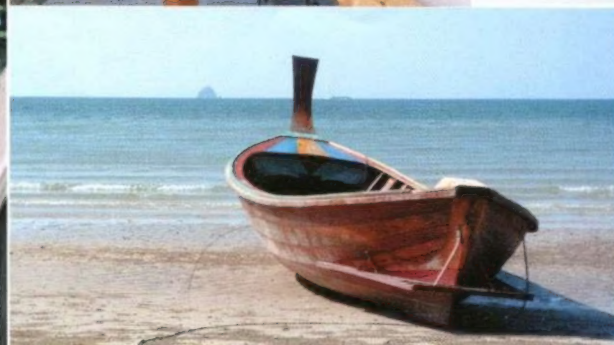

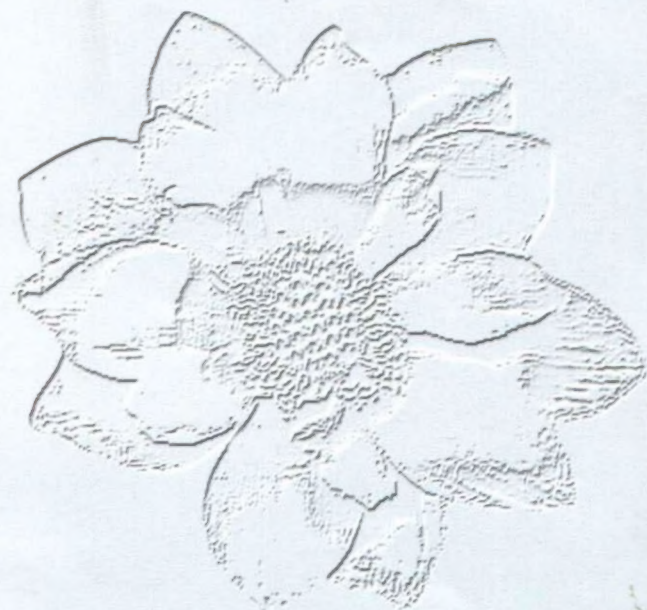

You're almost there in a state of bliss.
You have left the world behind you...
now all you have is yourself.
Time for a much-needed pampering.

Relax in the hands of the gracious spa therapists.
Meditate. Rejuvenate. Close your eyes.
Worries, tension and weariness
are slowly drifting away.
Your skin is soothed.
Your body stimulated.
Your mind is now free to search your soul...

Each private spa and treatment room offers a
relaxing view of the green world outside,
the reflection swimming pool, and the deep blue sea...

The sum of all things small

Little things matter a lot.
Like butler-served tea and coffee.
An a la carte gourmet breakfast.
A Sunset High Tea in the Living Room...

Enjoy an innovative fusion cuisine
inspired by the bounty of the ocean.
Served in the outdoor restaurant or
the privacy of your room.

Everyone deserves a magical dream...

the sum of all things small

It's a celebration of life

NAKAMANDA is a whole new wonderland.

A celebration of living
where ageless elegance
meets modern comforts.
Indulge in your every whim.

Bask in nature in her most dazzling form.

There is wellness and harmony,
peace and tranquility.

This is life!

It's a celebration of life
